THE 5-STEP PLAN

Step 1: Arrival and check-in - Sign in at the dropzone and bring your photo ID.
Step 2: Safety briefing and gear fitting - Meet your instructor for briefing and harness fitting.
Step 3: Boarding and the climb - Board the aircraft and climb to jump altitude.
Step 4: Exit and freefall - Exit with your instructor for freefall over the Gulf of Thailand.
Step 5: Canopy flight and landing - Fly under the parachute and land back at the dropzone.
